Tablemate

The Perfect Gift Item for more Happiness!

- Genetically compact pot type
- Golden flowers on floriferous plants
- For indoor and outdoor use

Height: 23 cm

Width: 45 cm

Flower Size: 5 cm

Exposure: Sun

Best Uses: Pot Plant, Containers

Vinca / Catharanthus roseus

F1 Cora® XDR

Red Glow

Reduced Risk: Extreme disease resistance provides season-long flowering for landscape plantings. Screened against 36 contemporary strains of Aerial phytophthora, including ten of the most virulent that cause phytophthora blight on annual vinca.1

Easier to grow: Excellent branching, uniformity, and flower quality make Cora XDR the ideal choice from premium packs and small pots to large containers.
