

Woudrichem, 2022

Declaration of supplier

Herewith we certify that all our ornamental young plants and seeds:

- comply with the applicable legislation and respect the intellectual property-law of the EU
- our young plants are of EU origin, produced in The Netherlands
- are free of diseases, pests and other damages
- when products are delivered to non-EU countries, they are provided with a health certificate issued by the Dutch Ministry of Agriculture, Nature and Food Quality
- for request there is available a detailed statement about the products what we use for plant protection in our greenhouses.

Our MPS-ECAs number is 803407.

Yours sincerely,

Jacob Schneider
Director Schneider B.V
